So, thank you, thank you, thank you from the bottom of my heart. Operation Santa 2020, aka Weston Giving Tree officially complete! -Sheila Jaspersen

Blue Mountain (Kees) Cemetery

www.BlueMountainCemetery.com

Andrew F. Kees was born in Washington Co., Pennsylvania in 1817 and died in Umatilla Co., Oregon in 1886. In 1860, he married Nancy Osborne (a survivor of Whitman Massacre) and they settled 2 miles south of Weston. From his farmland Mr. Kees deeded 1 and 9/16 acres for a cemetery site in 1875.

All official records of the Blue Mountain Cemetery were destroyed. Fortunately, Mrs. E.C. Miley and Mrs. O'Neal spent many days researching and re-establishing the county records as complete as possible. The list of burial sites on the website is a compilation of their efforts.

Information on Burials including photos of headstones, some obituaries, and other related historical information can be found on this website. There is also a map on the website.

The original website was a labor of love by Bob Gilliland. It was a miracle that it could be recovered from an archive website with only a few items not recoverable as the domain expired.

If you have photos to contribute or updated information that can be verified, please send the information to Trish Neal at TrischNeal@gmail.com Information has to be verified before it will be added to the site to make sure that the information is as accurate as possible. I know that Bob would appreciate knowing his work lives on. ~Trish Neal

SO WHAT?

These items cause backups that flood your home and streets, requiring costly repairs and ruining everything.
