WATER REPORT

2020 Annual Drinking Water Report

City of Weston

April 19, 2021

We're pleased to present to you this year's Annual Quality Water Report. This report is designed to inform you about the quality water and services we deliver to you every day. Our constant goal is to provide you with a safe and dependable supply of drinking water. We want you to understand the efforts we make to continually improve the water treatment process and protect our water resources. We are committed to ensuring the quality of your water. Our water source is ground water from the Weston Well #3 UMAT #3089.

I'm pleased to report that our drinking water is safe and meets federal and state requirements.

If you have any questions about this report or concerning your water utility, please contact Loy Knutzen, our certified drinking water operator at (541) 566-3976. We want our valued customers to be informed about their water utility. If you want to learn more, please contact us for the next regularly scheduled meeting date, time and location.

The City of Weston routinely monitors for constituents in your drinking water according to Federal and State laws. This table shows the results of our monitoring for the period of January 1st to December 31st, 2020. As water travels over the land or underground, it can pick up substances or contaminants such as microbes, inorganic and organic chemicals, and radioactive substances. All drinking water, including bottled drinking water, may be reasonably expected to contain at least small amounts of some constituents. It's important to remember that the presence of these constituents does not necessarily pose a health risk.

In this table you will find many terms and abbreviations you might not be familiar with.

To help you better understand these terms we've provided the following definitions which can be found online:

Summer Reading 2021

Kids...pick up a reading log at the library. Keep track of time spent reading, then enter your reading time into a raffle. Winners will be drawn during the final week of Summer Reading. All participants will receive a free art kit!

Attend activities Friday afternoons at 1:00 in Weston Park, starting June 11. Pick up a calendar at the library for details. All art supplies will be provided. Program is for preschool through 6th grade.

Preschoolers bring a parent or sibling helper!

Watch for details about an upcoming program from University of Oregon Museum of Natural and Cultural History.

Why Summer Reading?

Summer Reading is fun. But there's also a serious side to getting involved with Summer Reading. Research has shown that reading over the summer prevents the loss of reading skills. Studies also indicate students who read recreationally outperformed those who don't. Students read more when they can choose materials based on their own interests, a concept we heartily endorse. Kids can check out books of their choice from the library, or read books from their own collection. Fostering a lifelong love of reading is the ultimate goal of Summer Reading!

Blue Mountain (Kees) Cemetery

www.BlueMountainCemetery.com

Andrew F. Kees was born in Washington Co., Pennsylvania in 1817 and died in Umatilla Co., Oregon in 1886. In 1860, he married Nancy Osborne (a survivor of Whitman Massacre) and they settled 2 miles south of Weston. From his farmland Mr. Kees deeded 1 and 9/16 acres for a cemetery site in 1875.

All official records of the Blue Mountain Cemetery were destroyed. Fortunately, Mrs. E.C. Miley and Mrs. O'Neal spent many days researching and re-establishing the county records as complete as possible. The list of burial sites on the website is a compilation of their efforts.

Information on Burials including photos of headstones, some obituaries, and other related historical information can be found on this website. There is also a map on the website.

The original website was a labor of love by Bob Gilliland. It was a miracle that it could be recovered from an archive website with only a few items not recoverable as the domain expired.

If you have photos to contribute or updated information that can be verified, please send the information to Trish Neal at TrischNeal@gmail.com Information has to be verified before it will be added to the site to make sure that the information is as accurate as possible. I know that Bob would appreciate knowing his work lives on. ~Trish Neal

Umatilla County Pioneers Association Announcement

After in-depth discussions with the Oregon Health Authority and the Umatilla County Health Department, the Pioneers Association board sadly decided to cancel the 2021 Pioneers Day activities.

The board is now focused on the 2022 Pioneer Days Celebration. We are enjoying preparing for traditional and new activities on the first full weekend of June, 2022. So, please set aside June 4th and 5th of 2022 for our Post Covid Pioneer Day Celebration.

We will be soliciting nominations for the Queen and Grand Marshall. We will have our traditional parade, hosting alumni classes, Queens and Grand Marshalls, and enjoying kids of all ages and special parade entrants. We look forward to overeating at the Fireman's Breakfast and lunch Bar-B-Q. We will cool off some of our local dignitaries in our Dunk Tank. We are planning other activities for kids and adults as well.

If you would like to join us in planning this party, please contact Greg Phillips, 503-880-6360. Our board is looking forward to enjoying the planning of our festivities in a zero conflict environment. So, if you have interest, please join us.
