A True Weston Treasure!

The Winn Barn is on the National Register of Historic Places, and the Winn family has been careful to maintain the historical nature and character of the barn over the years. With the help of a talented and dedicated local carpenter, the Winn family re-roofed this iconic community centerpiece, preserving it for decades to come.

City Hall is now open to the public. A mask is required to conduct business inside the building.

Payments can be made via phone (debit/credit) and/or the drop box on the side of City Hall.

Read Across America

March 2 is National Read Across America Day, a day to celebrate our favorite activity. The day was established by the National Education Association (NEA) in 1998 to help get kids excited about reading.

The day occurs each year on the birthday of beloved children's book author Dr. Seuss, so a perfect way to celebrate is to read one of his famous tales, like *One Fish Two Fish Red Fish Blue Fish*, or *Green Eggs and Ham*. We have most of the books written by Dr. Seuss in our library for you to check out.

Don't have kids in your house? Just grab whatever you are currently reading and think about people all across the country who are doing likewise on this day.

On National Read Across America Day, students, teachers, parents, and community members around the nation come together to read books and celebrate the joy of reading — join us!

New Library Sign!

Have you noticed our new library sign? The old sign, which served us well for many years had seen better days. It was time for an update. This sign was expertly made by local woodworker Mike Dowd in memory of Jolynn Lieuallen, who passed away last year. The new sign is clearly legible from the street, and features the year our Weston Library was established, 1912.

Blue Mountain (Kees) Cemetery

www.BlueMountainCemetery.com

Andrew F. Kees was born in Washington Co., Pennsylvania in 1817 and died in Umatilla Co., Oregon in 1886. In 1860, he married Nancy Osborne (a survivor of Whitman Massacre) and they settled 2 miles south of Weston. From his farmland Mr. Kees deeded 1 and 9/16 acres for a cemetery site in 1875.

All official records of the Blue Mountain Cemetery were destroyed. Fortunately, Mrs. E.C. Miley and Mrs. O'Neal spent many days researching and re-establishing the county records as complete as possible. The list of burial sites on the website is a compilation of their efforts.

Information on Burials including photos of headstones, some obituaries, and other related historical information can be found on this website. There is also a map on the website.

The original website was a labor of love by Bob Gilliland. It was a miracle that it could be recovered from an archive website with only a few items not recoverable as the domain expired.

If you have photos to contribute or updated information that can be verified, please send the information to Trish Neal at TrischNeal@gmail.com Information has to be verified before it will be added to the site to make sure that the information is as accurate as possible. I know that Bob would appreciate knowing his work lives on. ~Trish Neal

SO WHAT?
