Preschool Storytime Begins September 20 @ 10:00 AM

Calling all preschoolers and their parents and caregivers to Storytime! Research in child development and neuroscience shows that reading books out loud to your child helps develop their reading skills long before they are able to read. But did you know Library Storytime is also beneficial to parents? Here are some ways:

- Preschool Storytime is FREE, and doesn't require much planning. It's an easy activity and you can show up spur of the moment. No preregistration is required.
- Library staff will model read-aloud skills you can use at home, such as ways to ask your children questions about the book that will keep them engaged as you read at home.
- At storytime you can learn new songs,

nursery rhymes and hands-on activities such as crafts that you can take home with you. There will also be suggestions for new authors and titles of children's books that you may not have known about.

- Library storytime is a great way to meet other parents in your community and for your children to socialize with other kids.

Seeking High School Annuals

Weston Public Library is looking for high school annuals for a digitization project. If you have Weston High School or Weston-McEwen High School annuals for the years 1950-2000 we would like to know about them. If enough consecutive issues can be located, we will have them copied in digital format and placed on CDs for library use.

Annuals can be donated to this project, or loaned to the library and returned to you. The library has a limited collection of annuals, but we are missing many issues. Can you help us?

Blue Mountain (Kees) Cemetery

www.BlueMountainCemetery.com

Andrew F. Kees was born in Washington Co., Pennsylvania in 1817 and died in Umatilla Co., Oregon in 1886. In 1860, he married Nancy Osborne (a survivor of Whitman Massacre) and they settled 2 miles south of Weston. From his farmland Mr. Kees deeded 1 and 9/16 acres for a cemetery site in 1875.

All official records of the Blue Mountain Cemetery were destroyed. Fortunately, Mrs. E.C. Miley and Mrs. O'Neal spent many days researching and re-establishing the county records as complete as possible. The list of burial sites on the website is a compilation of their efforts.

Information on Burials including photos of headstones, some obituaries, and other related historical information can be found on this website. There is also a map on the website.

The original website was a labor of love by Bob Gilliland. It was a miracle that it could be recovered from an archive website with only a few items not recoverable as the domain expired.

If you have photos to contribute or updated information that can be verified, please send the information to Trish Neal at TrischNeal@gmail.com Information has to be verified before it will be added to the site to make sure that the information is as accurate as possible. I know that Bob would appreciate knowing his work lives on. ~Trish Neal
