Imagination Library

We're excited to announce that United Way of the Blue Mountains will be sponsoring the Dolly Parton Imagination Library program for all children in Umatilla County.

Children from birth through age 4 are eligible. We've participated in this awesome program for several years, but with the sponsorship of United Way, we are able to sign up all preschoolers who are interested, with no restriction on numbers.

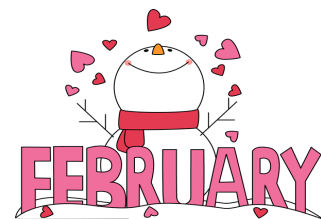

Here's how it works. After registration, every month a new, specially selected book will be mailed to your home, addressed to your child. Each month until they turn 5 years old a book will show up in your mailbox. So exciting! Children who are enrolled at birth

will amass their own personal library of 60 books. This is a free program, with no obligation to the family. Follow this link to sign up online and learn more. <https://www.uwbluemt.org/DPII> We also have paper forms, if you would prefer to sign up in person at the library. Reading together is the single most important way to help children get ready to read, so come on and sign up your preschoolers! It's quick and easy!
