Library Card Sign-Up Month

September 2022 marks the 35th anniversary of National Library Card Sign-up Month, a time when local libraries all over the country remind parents that a library card is one of the most important school supplies of all. Library cards are free at our library to folks in the 97886 zip code service area.

To get a card, just bring in some form of ID, proof of residence, and for minors, the signature of a guardian. All new library cards issued at our library in September

come with a free book bag. There's nothing more empowering than a library card, for people of all ages. What are you waiting for? Come get yours!

Why Do You Need a Library Card?

If you thought your library card was only good for borrowing books, then think again! Your library card will gain you access to everything in our library collection, as well as in 73 other libraries throughout Eastern Oregon. You can walk into any library in Eastern Oregon and check out materials. A library card also lets you check out e-books and audio books using the free Libby platform. Homework help is also available in the form of the Gale databases, linked to our website. How about checking out a free museum pass, a movie, or a music CD?
