

## Oregon's Dino Story

As a part of Summer Reading Program 2021, we're delighted to partner again with the University of Oregon's Museum of Natural and Cultural History. Usually the museum folks come to our town and do a program with kids in the summer. Due to the pandemic, they are providing these programs online.

This time it's all about dinosaurs. What makes a dinosaur a dinosaur? And why are dinosaur fossils so rare in Oregon? Join us online to uncover mysteries about Oregon during the age of dinosaurs. Stop by the library to pick up your free dinosaur activity kit, then go to this video link:

<https://vimeo.com/518814795/29bff1d475>

This is a fun short video that will help you make the most of your kit. If you don't have internet access, call the library (541-566-2378) and let us know. You can arrange to view it at the library.

This program is brought to you by Friends of Weston Library. Kits are available at the library while supplies last.

## Summer Reading Logs

If your kids have been keeping track of time spent reading this summer as part of our Summer Reading Program, we encourage them to bring the reading logs to the library. We will be accepting completed reading logs through August 13. At that time, prizes will be awarded to the two kids who logged the most time spent reading this summer. Haven't been tracking reading? It's not too late to start!

- 8/5 Library Board  
5 pm (Library)
- 8/10 Fowl Board  
4:30 pm (Library)
- 8/26 Novel Readers  
5 pm (Library)
- Storytime  
Fridays 10 am (Library lawn)
