February 2023

Volume 16 Issue 2

Food For Fines

Do you have an overdue charge on your library card? Here's your chance to clear up your library fines and help others in the process. You can donate food during our Food For Fines in February program at the library.

From **February 1 through February 28**, some libraries of the Umatilla County Special Library District will accept food items that will be sent to our local food banks to help out those in need. Our items will be donated to the Weston Food Bank.

This program will allow you to bring nonperishable food items into our local library during open hours, and have your fines waived. **Each item you donate will clear up \$1 in**

fines. Donations will waive library fines only, not fees for lost or damaged items. Food must be in store-sealed containers within its expiration date. Glass containers, perishables, or open containers cannot be accepted. This library food drive is a great opportunity to give back to the community while talking advantage of the great programs and collections the library has to offer.

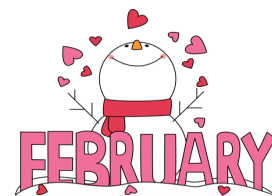

Transition to Libby

Library2Go is sunsetting the OverDrive app to make Libby the primary way for users to enjoy our digital library.

The OverDrive app will be completely discontinued at the end of April 2023. At that time, users who try to access items for checkout in the OverDrive app will need to upgrade to Libby. If you use the Overdrive

app to check out digital materials, you may have already seen prompts to upgrade to Libby. It's easy, and all your information from the OverDrive app will show up in your Libby account.

Libby creates a user friendly reading experience and is simple to use. Call or stop by the library if you need help.
