Reading Road Trip

The Reading Road Trip is back this summer by popular demand! Stop by the library where you will be given a bingo card to check off libraries as you visit them all around the county. The twelve libraries of Umatilla County Special Library District are all participating, as well as BMCC and Morrow County libraries. As you travel around the county this summer, stop and say hello at as many of the libraries as you can. Your library card in good standing can be used in all of the libraries, and you may return checked out materials at any library.
