## Weston Historic Photo Archive

We are excited to announce that our extensive historic photo archive, amassed over more than 50 years, is now even more widely accessible to the public. For a couple of years, this collection has been online, with a link on our library website. Now as a result of a collaboration between our library and the State Library of Oregon, our entire collection (over 400 images) has been added to two regional and national digital archives, in addition to our own website. Many thanks to Ross Fuque of the State Library of Oregon for his work on this project.

If you haven't already done so, take a look and let us know what you think of this amazing collection!

## Craft Day for Kids

Kids of all ages are invited to come to the library Wednesday, March 29 at 3 pm to make a craft. Kids under 8 should be accompanied by an adult or older sibling helper. We will provide the supplies.

This is during Spring Break, so if your kiddos are bored, bring them in.
