March 2024 Volume 17 Issue 3

This Month's Program: Book Mending!

The Library has purchased some new mending materials, and we would like to teach you to use them! Our collection is valuable, and mending it will allow us to continue to use it for years to come. Please come to the Library on **Wednesday, March 20th at 4pm**, and learn the basics of book repair. We will tip in pages, we will reconstruct spines, we will mend rips and cracked spines! If you have a book that needs a little repair work, bring it. Only one book per participant, please.
