February 2024

Volume 17 Issue

## Plan Your Garden & Time For a Yarn

The time of the year is upon us to plan our gardens. It is best to start in January, but it doesn't hurt our crop to leave it until February. On February 21st at 4:00pm, the Library will provide seed catalogs and online seed company access for you to plan out your best garden yet. We will have pencils, planners, and notepaper on hand as well!

Every Tuesday, the Time For a Yarn program meets to knit, crochet, handsew, tat, and embroider. Are you having trouble with a project? Expert advice is here for you. Are you looking for a new project? We have so many nice books to skim through. Are you interested in chatting about books? We do some of that as well. Bring your handwork in and have a nice evening visit.

*Snow in Weston, 1916.*

## Greetings From Your New Librarian

This will be the first newsletter from my desk, as I started as your Librarian in January. It is my honor to serve you here at Weston Public Library. My first library job was volunteering in this library for Margaret Sutherland. I then worked four years at Penrose Library at Whitman College, where I got my bachelor's degree in Art with a History Emphasis. I joined the staff of the Pendleton Public Library in 1997, and worked with them for over 26 years. During that time, I earned a Master's Degree in Library and Information Science from Emporia University. I am here to help you with all your information needs, and I hope to see you soon! Keep reading! —Heather
